

PRESS RELEASE FROM THE OKLAHOMA REPUBLICAN PARTY

10/16/2019

Regarding the news story released earlier today: I have in front of me, a complete spreadsheet of payables which clearly document the fact that at no time has our utility services been threatened.

As of today, I have documentation showing we have in excess of \$20,000 in our account. Point being, Mr. Turner either deliberately provided false information OR did so out of ignorance of the facts. Either way, I am obliged to protect the integrity of the Oklahoma Republican Party and set the record straight.

Also, at my election on April 6th of this year, I received 70% of the party's confidence from ALL segments of the Republican Party. Not just one segment. ALL.

The Central Committee has called for the immediate resignation of Mike Turner as the Vice Chairman of the Oklahoma Republican Party and will be giving an official call to order of the State Committee this week.

Respectfully,

David McLain, Chairman
Oklahoma Republican Party
